

## **Environment Wales Act 2016 Part 1 - Section 6**

### **The Biodiversity and Resilience of Ecosystems Duty**

#### **Report 2024 Name of Community Council: Brynchrug**

Brynchrug Community Council has a population of 622 on its Electoral Register (2011) with community wards covering Dolgoch.

Precept for Brynchrug Community Council was £13,084 for 2023-24.

Brynchrug Community Council is working to respond to local needs to improve the standard of living by promoting community development and social activities including supporting several sporting, cultural and community groups that play a prominent role in the community.

Brynchrug Community Council is responsible for maintaining the Playing field in Brynchrug and are trustees of the R J Robert Charity, Dolgoch.

#### **Action Report**

Action carried out to embed biodiversity into decision-making and procurement:

- Only essential work to be carried out during the nesting season

Action carried out to tackle negative factors: reduce pollution, address invasive species etc:

- Report infestations

Action carried out to support other organisations:

- Support community initiative and assist with obtaining grants/funding

#### **Review of Section 6 duty**

All contractors to provide a copy of their Public Liability Certificate upon being awarded a contract and also provide an appropriate Risk Assessment for the work to be undertaken.

All contractors will be informed upon being awarded a contract that they need to be aware of and actively check for wildlife habitats during the nesting season.

The Section 6 duty will be monitored by the Community Council at their monthly meetings and the Section 6 plan will be reviewed annually.
